26th February 2020

Dear Parents and Carers

Following my last communication about the Coronavirus please find a link to Public Health England that gives further advice to people who have recently travelled to specific geographical areas.

This is the latest information we have from Public Health England.

<https://www.gov.uk/government/publications/covid-19-specified-countries-and-areas/covid-19-specified-countries-and-areas-with-implications-for-returning-travellers-or-visitors-arriving-in-the-uk>

Public Health England continues to encourage good hand, respiratory and personal hygiene measures and recommends:

- Washing hands regularly but especially after coughing or sneezing and prior to eating.
- Wash hands with soap and water or use alcohol rub
- Cover the nose and mouth with a disposable tissue when sneezing, coughing, wiping or blowing your nose - think 'Catch it, Bin it, Kill it!'
- Don't share cups, cutlery without washing in detergent first.

We will continue to monitor the ongoing situation, following advice from Public Health England and keeping you informed of any changes to that advice.

Yours sincerely

Steve Lewis  
Headteacher
