Message from the Head Teacher

Thank you for the feedback from last week's Parent/Carer notes. We have altered the backing to the text so hopefully this will be easier to read.

The reward assemblies led by Mr Harris brought much excitement to the year groups. He was able to share with pupils the intention to run an end of year rewards trip. Pupils will be able to have an input into where this should be. Last half term an amazing 100 000 positive points were received by pupils. That is a phenomenal amount of really positive behaviours being recognised. To help this feel more concrete to pupils and parent/carers we have introduced a certificate using the following thresholds:

50 points = Bronze 100 points = Silver 200 points = Gold
300 points = Platinum 400 points=Diamond

We also celebrated excellent behaviour, excellent attendance and our HEART core values. Qualifying pupils were entered into separate draws for an Amazon voucher. Our reward assemblies will be a regular half termly feature of the school.

Five Year 12 pupils have stood for the positions of Head Student. They have each written a letter of application and have presented their vision for the role to their fellow pupils in assemblies. Pupils have listened attentively and will be voting for their preferred candidate during tutor time. I will inform you who has won the election in next week's Parent/Carer notes.

Our Year 10 Drama class travelled to London early on Wednesday morning to see Matilda at The Cambridge Theatre, a great day was had by all.

Yours sincerely

Steve Lewis
