Dear Parents and Carers,

A short letter from me this week, I hope that you all get the chance to see this half terms newsletter and read about what has been happening in the different year groups around school.

Our pupils have reacted magnificently to our new way of working and it has been a pleasure to have them back in school doing so well.

Today we say goodbye to two very valued members of staff who have over 30 years of combined service to Fulford School.

Our Deputy Head Teacher, Mr Johnson leaves us to take up a Headship in North Yorkshire and Mrs White, who leads our Learning Resource Centre and library is retiring.

Both have played a tremendously important role in the history of Fulford School and have made a positive impact on the lives of thousands of children and their families.

We wish them both well as they each start new chapters in their lives.

I also wish you a safe and peaceful half term holiday. We have gone to great lengths to minimise social contact between children in school, this in turn enables us to minimise the number of children who need to self-isolate should we have a case of COVID 19 within our community. Please do support keeping pupils in school by ensuring that government guidance is followed throughout the holiday period and on our return.

With best wishes

Steve Lewis
