26th March 2021

Dear Parents and Carers,

I am delighted that your son or daughter will be joining Fulford School in September and look forward to getting to know them and you as they start their journey through Fulford School.

Fulford is a fantastic school and it is a privilege to be its Headteacher. Pupils are kind and thoughtful and the staff are committed to doing all they can to support them with everyone working towards our core purpose of 'Realising Potential and Creating the Future'.

The process of supporting Year 6 students who are joining Fulford School in September 2021 will be lead by Mr Paul Walker, Assistant Headteacher. Mr Walker will be sharing information with you in the near future around the specific events and information gathering exercises which will be taking place to help students prepare for life at Fulford School.

The transition between Primary and Secondary School is a time of great excitement and anticipation. We do recognise however, that for some students, it can create apprehension and that some additional support in managing this process may be required. At Fulford School we have a specialist team of pastoral support staff who work with students across all years, to ensure that students flourish during their time with us. If you feel that your son or daughter would benefit from some additional support please do not hesitate to contact us. Please use [year6transition@fulford.york.sch.uk](mailto:year6transition@fulford.york.sch.uk) for any Year 6 into Year 7 questions or queries.

We are committed to providing the highest standard of teaching and pastoral support for all our children; this takes place in a safe and nurturing environment. We have a proud tradition and an exciting future and I am delighted that you and your family will be an important part of that future.

Yours faithfully

Steve Lewis

Headteacher
