23rd July 2021

Dear Parents and Carers,

One final letter from me. I know at times it must feel like you are being bombarded with information!

You should have already received a letter from me as CEO and a SYMAT newsletter as well as a Fulford newsletter. I am also forwarding to you 2 letters from City of York Council. One explains testing over the summer and the other is about safe summer behaviours.

We are working with CYC who are setting up lateral flow testing centres on both university sites to ensure pupils can have a supervised test prior to them returning to school in September. I will send information of how these can be accessed once we have it.

For the next academic year, Mr Harris and Mr Rosie will take up the roles of Associate Head Teachers. They will continue to lead on pastoral and curriculum areas respectively but will also take a wider remit on strategy development and day to day running of the school. Mr Bailey will also join the senior leadership team for the coming year as an Assistant Head Teacher. He will continue to lead science along with a focus on community and quality assurance.

Finally, after a combined service to the school of 57 years, both Mr Hughes in Art and Ms Lavender in English are retiring. You can read a little more about them in the Fulford newsletter. On behalf of the thousands of children, families and staff that have benefitted from their teaching, care and support, I would like to thank them and wish them the happiest of retirements.

Yours sincerely,

Steve Lewis
Head Teacher
