September 2021

Dear Parent/Carer

As you may remember, we write to parents each year to ask for a donation towards the cost of materials used in your son/daughter's Design and Technology projects over the coming year.

All pupils in Year 10 will be making a range of interesting products and modelling solutions to a variety of situations, using resistant materials, graphic media and textiles.

We would like to ask you for a donation of £5.00 towards the projects, which will help us to continue to stock a variety of modern materials for use in your son's/daughter's work.

The projects we are planning to work on this year include:

- 1) Flat pack project
- 2) Mechanisms
- 3) Pewter casting project
- 4) Soldering activities

If you wish to contribute, please do so via Parent Pay.

Many thanks for your help with this matter.

Yours faithfully

Mr. A. Jobson
KS4 coordinator D&T
