September 2021

Dear Parent/Carer

We write to parents each year to ask for a contribution towards the cost of materials used in your son/daughter's Product Design projects over the coming year.

All pupils in Year 8 will be making a range of interesting products and modelling solutions to a variety of situations, in addition to carrying out a variety of testing and tasting assignments in Food. The projects we are planning to work on this year include:

- 1) Laser cut toy
- 2) Autobiography book cover
- 3) Mobile phone holder
- 4) Microbit Programming
- 5) Structures
- 6) Cross-body bag

We would like to ask you for a donation of £8.00 towards the projects which will help us to continue to stock a variety of modern materials for use in your son/daughter's work.

It is still expected that pupils will bring ingredients when they are preparing food to take home.

If you wish to contribute, please do so via Parent Pay.

Many thanks for your help with this matter.

Yours faithfully

Mr. A. Jobson
KS3 coordinator D&T
