Financial review

- See attached treasurer's report.

Summary of purpose: to advance the education of pupils in the school by

- Developing effective relationships between the staff, parents and others associated with the school;
- Engaging in activities or providing facilities or equipment which support the School and advance the education of the pupils.

All parents, guardians or carers of pupils currently attending the school, plus members of teaching & non-teaching staff are automatically members of the PTA.

Policy on grant making: typically in response to requests from teachers or other staff members, we allocate grants for the benefit of as many students as possible. We hope to fund learning resources and equipment outside the normal scope of the school budget.

Meetings

- Meetings are generally held once a term, with AGM in November. Because of Covid restrictions, until September 2021 meetings were held virtually.
