FULFORD SCHOOL

Realising Potential - Creating the Future

The Curriculum

Core Subjects taken by all students

- * English Language
- * English Literature
- * Maths
- * Science (two/three GCSEs)
- * Religious Studies
- * Core PE#
- * Personal Development #

Non examined.

FULFORD SCHOOL

Realising Potential - Creating the Future

Core Subjects

- * English

Students will study both English Language and English Literature

- * Mathematics

Students will sit either higher tier (grades 9-4 available) or foundation tier (grades 5-1 available). Approximately 2/3 of the year group will sit the Higher tier.

FULFORD SCHOOL

Realising Potential - Creating the Future

Core Subjects - Science

Science

- * There are two different pathways in Science
- * Some students (approximately 1/3 of the cohort) will be studying Triple Science and will receive separate GCSEs in Biology, Chemistry and Physics
- * All other students will be studying Combined Science. This route gives students two GCSE grades and the course contains biology, chemistry and physics content
- * Students will sit either higher tier (grades 9-4 available) or foundation tier (grades 5-1 available)
- * These courses are assessed by linear examinations at the end of Year 11
- * The pathway for each student is usually confirmed at the end of year 9.

FULFORD SCHOOL

Realising Potential - Creating the Future

Core Subjects

- * Religious Studies

All students will study the GCSE Short course qualification (worth half a GCSE) as part of the core curriculum. Students can choose to study the full course qualification within the options.

FULFORD SCHOOL

Realising Potential - Creating the Future

Optional Subjects

- * Students choose four options to study in Year 10 and 11
- * The majority of the subjects we offer are GCSEs
- * Alternative Level 2 qualifications are offered in Enterprise Business, Sport, Health and Social Care, Engineering and IMedia
- * We offer a Level 1 qualification through our Foundation Learning Programme
- * French and Spanish are the only optional subjects to offer foundation/higher tier papers.

FULFORD SCHOOL

Realising Potential - Creating the Future

Assessment

- * Some subjects are assessed only by linear examinations at the end of Year 11 (e.g. History, Geography).
- * Some subjects include a proportion of the course that is assessed by coursework or controlled assessment (called NEA – non examined assessment). The proportion of this varies across subjects – please see the options booklet for further information.
- * All GCSE subjects will be assessed on the 9-1 scale.

FULFORD SCHOOL

Realising Potential - Creating the Future

The English Baccalaureate ("EBacc")

* The set of subjects that keep young people's options open for further study and future careers. These subjects are:

- English Language/English Literature
- Maths
- Science
- A Modern Foreign Language
- A Humanity (History or Geography)

FULFORD SCHOOL

Realising Potential - Creating the Future

Curriculum Breadth and Balance

We **very strongly** recommend that most students aim for this in their choices. To achieve this, students should select:

- * A foreign language (French or Spanish)
- * A humanity (History or Geography)

FULFORD SCHOOL

Realising Potential - Creating the Future

EBacc Choices

- * Students CAN choose both Modern Foreign Languages or both Humanities if they would like to do so.

FULFORD SCHOOL

Realising Potential - Creating the Future

FULFORD SCHOOL

Realising Potential - Creating the Future

Taster Lessons and Careers Guidance

- * Talks about option subjects and taster lessons should be taking place in lessons this week.
- * Within form time, students have been given some careers guidance to help support them to make their choices.
- * Our website contains lots of relevant links to career information <https://fulford.york.sch.uk/careers/> for students choosing both GCSE and post 16 pathways

How to Choose?

- Read the details about the subjects in the options booklet!
- Which subjects does your son/daughter actually ENJOY studying?
- Which are the subjects in which s/he achieves well?
- Does s/he want to study something new?
- What are his/her future higher education or career aspirations?
(does s/he already know what path s/he is likely to want to take?)
- What STYLE of learning and assessment does s/he like? (exams, coursework, project-based, practical etc.)

- **DON'T let your son/daughter base his/her choices upon what his/her friends are going to choose!**
