The last meeting was the AGM.

Outstanding actions in relation to ongoing tasks:

**Lindsay and Pamela** regarding discussion on possible newsletter: pause unless someone has capacity.

**Gary** to provide a quotation for a greenhouse, tools and equipment for the pastoral/inclusion centre. Helen noted an amendment to the minutes - the cost proposed is £1,000.

3. **Finances**

No finance update was given; Lindsay will do so in due course. Lindsay is still due to have a formal handover with Nathan.

Pauline gave an update on 200 club, she has finalised the list as best that she can. Pauline has liaised with the school to track down the payees to chase some payees that we do not have details for and some 14-15 people who had filled in forms but not paid. Following this 9 people have indicated they have paid but Pauline is awaiting the January statement to confirm payment. Pauline confirmed we have so far 122 on the list and 9 potential further members.

### 200 club

November 2021 winner Ms Jane Leach

December 2022 winner Helen Kruse.

**Action Lindsay** to draw up a cheque for £69.50 for each of these people please.

4. **Funding requests**

No funding request received for this meeting.

5. **AOB**

Wendy provided feedback that the lab coats used by the science department are relatively small. As a result, they don't fit some students and this can make them feel uncomfortable. The question was asked if it would be possible to cover this through core school budget. Gary agreed to take this back to school.

6. **Next meeting**

Wednesday 11<sup>th</sup> May 2022, 7pm.
