# Expectations for behaviour

- We would expect all students to behave at all times in a manner that befits members of Fulford School.
- On the coach students must wear seat belts. On the ferry they must follow the instructions of the ferry staff.
- Students will be asked not to visit each others' bedrooms after lights out and must at no point visit the rooms of those of the opposite sex. Windows must be fastened shut at night.
- Students must take care at all times to stick with their group and their given lead teacher – this is especially important when using public transport.
- When given free time students must stay in groups of no less than 4 and stay within the area described by our guide.
- Students must ensure that they treat the property of the hotel with full respect at all times as any damage would have to be paid for by parents.
- No alcohol may be bought or consumed by students on the trip.

# Advice for what to bring

- Warm clothes – Berlin can be cold
- Strong shoes – you will be doing a lot of walking!
- Snacks – Cereal bars, crisps etc. to keep you going – did we mention that you'll be doing a lot of walking!
- Pillow, blanket, eye mask, travel pills and entertainment for the coach journey

# Medical conditions

- If you have an asthma inhaler or need an epipen you must bring them and carry them with you at all times.
- If you are taking a number of different medications please write these down and the dosages that you require and give them to Miss Bowen – in the event that you lose your medication this will make it easier to get replacements in Germany.
- Please also carry whatever other medical supplies you may need to take.
- Please inform Miss Bowen of any medication that you will need to be taking.
