7th October 2025

Dear Parent/Carer,

As we continue to progress through this busy term, we have lots taking place in school! I would like to share a few key details to ensure that you are fully informed.

Year 6 Open Evening, Wednesday 8th October

A reminder that school closes at 2:20pm on Wednesday to help facilitate preparations for our Open Evening. It has been great to see the pride that children show in their school with many volunteering to help with this event.

Where children are assisting on the evening, families need to complete a consent form and children must sign in/ out of school by the PSU. We ask that students arrange a place to be picked up from outside of the school grounds once the event is completed. This will greatly help with ensuring a smooth flow of traffic off site at the end of the evening.

Staff training day, Thursday 9th October

A reminder that children are not expected in school on Thursday this week.

World Mental Health Day, Friday 10th October

Throughout this week we have a series of special assemblies for children looking at positive approaches to mental health. Friday will be a non-uniform day where students are asked to wear something yellow.

A suggested donation of £1 can be paid in cash on the day, alternatively you can make a donation via Parent Pay. All money raised will be donated to the charity '[Young Minds](#)'.

- Year 8: STEM Day (in school)
- Year 9: Stock Market /Creative Arts Workshops (In school)
