

THE FULFORD UPDATE

w/c 8TH JUNE 2026

Headteachers Message

As we move into June, the main examination season is drawing to a close. Our students have shown commitment, resilience and maturity throughout, and we are incredibly proud of their efforts.

We now look ahead to results day with confidence.

With the final half term now underway, the school is entering a busy and exciting period. The coming weeks will be action packed with a wide range of events and opportunities for students as we move towards the end of the academic year.

Fundraising

Minibus Appeal

We are delighted to let you know that our minibus appeal has reached a figure of £3684, with a further £1200 promised through local businesses sponsoring seats.

We will be launching sponsored activities with our children soon ('Go the extra mile for our minibus!'), together with a raffle – more details to follow!

Huge thanks to all who have shared ideas and donations are most welcome via:

Good News

Abi Miller (Year 13) is a British track and road cyclist who rides for the UAE Development Team. Abi recently had her first victory at the elite level competing in France at La Lasse Morbihan.

At the age of 18, Abi was the youngest in the race. Abi will be competing in the 2026 Commonwealth Games in Glasgow in July and we wish her all the very best for the competition!

Congratulations to Rory Bates (year 12) who was one of only 7 students to be highly commended for an essay he submitted to Peterhouse (Cambridge) as part of a national competition.

Rory researched the successful introduction of red kites to the UK, looking to draw lessons that can be learned and potentially applied in the context of other species. He has been invited down for a prize winners' day in July.

Each year YorkMix celebrates 'Heroes' from within the York community. One of the 12 honours is for 'Outstanding Talent'. Here is what they had to say about our very own winners, Fulford School Ultimate Frisbee Team:

"The Fulford School Ultimate Frisbee team is the definitive candidate for the Outstanding Talent category because they have transformed a niche school club into a world-class powerhouse thanks to their brilliant coach Mr Carson.

Their achievement is statistically staggering: a single York school has produced 19 players for the Great Britain national squads this year – spanning the Under-17 and Under-20 Women's and Open teams.

This isn't just local success; it is a total 'frisbee takeover' of the national stage."

Forthcoming Key Dates

Date	Event	Year Group
